*This is an Example of a Header*

Font: edwardian script ITC #a10000

*This is an Example of a Sub Head*

Font: edwardian script ITC #000

This is an example of how the body text will look. I chose arial as the font on the body in order to provide maximum readability for the text. Much of the text for this site will be important, their for it must be easy to read and understand. Cursive fonts often do not scale properly and make it hard to read. Besides if the players can not read and understand the rules of the game, then how can they play it?

Font: arial #1511ca
